FAQs

Why is ideaRooms so unbelievably affordable?

ideaRooms VR is a quality experience at a steal. It is true that most VR experiences are ridiculously expensive. However, we at GMETRI specialize in creating quality VR content at an affordable price by leveraging the latest technological advancements in the world of VR.

We are giving away ideaRooms VR at this price to quickly build a one-stop VR portal for customers. Your spaces, duly credited, will also be on display for many of our showcases for Homeowners, Builders and Architects. We want you to see what we see, get excited, realize the potential of immersive VR and move all your properties to ideaRooms VR!

What am I paying for, really?

ideaRooms VR is your pocket Experience Center!
Your Sales teams don't need to carry bulky brochures anymore.
Handout experiences instead of brochures, and amaze your clients.
Still not convinced? Check out ideaRooms in action at g3d.in/wow
